

VISUAL VIBE DIGITAL SCREEN RENTALS

INTERNAL SALES KIT

Your event. Your venue. Your screen.

A premium screen setup — delivered, installed and ready.

What we are selling

Digital Screen Rentals is an indoor event rental. The client chooses the venue, date and 1/2/3/4-panel setup. Visual Vibe delivers, installs, tests and can operate the screens.

ONE-LINE PITCH

"Your event, transformed by a brilliant full-motion screen — delivered, installed and ready."

WHAT IT IS NOT

- Not On The Go — there is no curated audience network or weekly route.
- Not a shared media buy or fixed-location placement.
- Not outdoor hardware; all setups are indoor.

Objections and answers

“Why not a TV?”

MUPI COB LED is brighter, larger and modular.

“Can content change?”

Yes. Schedule or swap content before or during the event.

“Is delivery included?”

No. Delivery, installation and operation are event-specific.

“Can it go outside?”

Indoor use only; protect from weather and moisture.

“Is this On The Go?”

No. This is client-selected indoor event rental.

“Is it expensive?”

Start with one panel at J\$10,000 / US\$63 per day.
